Thanks Michael and congratulations. I am sure you are going to make an excellent police officer. I will undoubtedly see you at your graduation ceremony at Ontario Police College several months from now so please say hi to me if you see me before I do. Best of luck. Armand La Barge

Hello Chief,

I just signed the offer of employment from OPP and am going to the Academy in September. I want to thank you for helping me choose this career. While I thought about career in policing before, it was not until I met you at the Trent's gym that I attended to it seriously. Meeting you was "the last straw that broke the camel's back." I hope all is well. Thank you!

Michael

Michael. Good luck on your process with York Regional Police. This is a good time to be applying for service in policing because most of the major services in Ontario are hiring. You have got some great qualifications so I am sure you are going to do well in the application process.

All the best Chief Armand La Barge

Hello Armand,

My name is Michael Jack. I am teaching Computer Science at Trent University. We worked out last at Trent's gym last August. I hope you do remember me and I also hope that my letter does not get lost among the virtual pile of emails that you are receiving every day. I can only imagine how much work you have so I will be very brief.

I followed your advice and got my COR done and subsequently applied to Ontario Provincial Police and York Regional Police. I am currently in the pre-screening stage of the hiring process for OPP and I just got an acknowledgement letter from YRP (please see the attached scanned copy). I figured that I am now in the position to drop you a line. Perhaps that could enhance my visibility to the Recruitment Bureau.

Apart from that, I am still teaching, researching, working out, and occasionally doing target practice.

Thank you

Michael
