S/Sgt Campbell: On one of our recent shifts I met a gentleman who is apparently coming to our detachment from the next recruitment class. He did a ride-along with our shift and I would like to talk to you about some concerns that have been raised.

Apparently he is a Russian male who has also spent time in the Israeli Army, with the name of Michael JACK (DOB: 16 Dec 1972)

In my short encounter he made a comment about how he likes guns.

He commented about guns continuously during his ride-along. He apparently has 32 registered guns. His obsession with guns was quite disturbing. He also mentioned the persons he killed (shot) during his time in the Army. The officer he rode with will make notes with all concerns, should this be required.

A concern by the officer was what the result would be in making command staff aware of an officer's "instincts" that were a bit "hair raising".

As I was being told, I felt that these points should at least be looked into or brought to the attention of our recruiting department.

I understand this recruit may be riding with PC Pollock today (05 Aug 2008).
