Dear Mr. Tapp;

Re: Michael Jack v. HMQ
Tribunal File Number: 2010-07633-I

We acknowledge receipt of your Request for an Order During Proceedings for Production, received in our office on April 10, 2012.

PSB Interview with Mr. Jack

Please find enclosed a cd with Mr. Jack's interview with the Ontario Provincial Police's Professional Standards Bureau.

Mr. Jack's Officer Notebooks

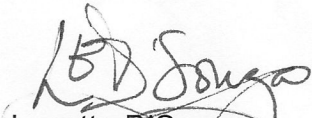

The Respondent maintains its position that it has disclosed all arguably relevant notebook entries from the Applicant's notebooks. However, the OPP is willing to provide the Applicant's full notebooks in un-redacted form, if the appropriate order from a Youth Criminal Justice Court is obtained authorizing the disclosure of any and all information pertaining to young persons in a manner consistent with the provisions of the *Youth Criminal Justice Act*. The Respondent further reserves its right to object to the admission of any notebook entries on the basis of relevance amongst other things.

Documents to be Relied Upon

We have received approximately 123 documents from the Applicant. Can you please confirm that the Applicant intends on relying on all of the 123 documents?

If that is the Applicant's intention, as required under the *Tribunal's Rules*, can you please provide a consolidated list of all documents that the Applicant intends to rely upon.

Yours truly,

Lynette D'Souza
Counsel
