was this. It became  
a criterion for him  
- I advised him that  
PC Filman is a  
good & knowledgeable  
officer & I don't  
believe that Filman  
didn't call him  
properly & that  
I didn't want to  
hear that excuse  
again  
- I said that I've  
been asked to keep  
going guide him  
& be his "go to"  
person (when he's  
knew about in the

past)

- He's to come to me  
with help / questions  
- Further that I  
would help him  
with his assignment  
just & prioritizing  
what needs to be  
done  
- I advised him I feel  
he's spending too much  
time on calls that  
aren't going anywhere  
then on the important  
ones  
- This is what I've  
seen in past months  
- We had this
